

Executive Committee Meeting - March 16, 2023  
6:30pm @ Best Hong Kong in Mesa, AZ

Attendees: Heather, Tamar, John, Li, Tom, Michael

Michael addressed the fact that as Webmaster he will be working on some upcoming changes to the club website. Those changes include club forms, ways to find previous hikes, and searches on the website. Additionally, he is in search of an Assistant Webmaster specifically by the month of August as he will be going on vacation for a couple of weeks.

John addressed continuous concerns he is having with hike leaders getting information over to him accurately. He stressed the fact that it is important to put specific hike names in the subject line when emailing statistics over to him. We are still in search of someone to take over his position of Statistician next year.

Tamar addressed Steve Rockwell's 2024 Sardinia, Italy trip. She said that the trip will need to be limited to 16 people for transportation reasons. Those interested that have reached out to Steve will be on an "interest list", but this does not guarantee that they are signed up. More information to come as Steve continues to put together the details of this hiking trip.

Mike Nelson leads another hiking club and has expressed interest in merging with the Arizona Trailblazers. Li will reach out to him to discuss specifics.

Tom is working on getting our Chase bank account information updated. He will need to go to the bank with another Executive Committee member to add himself and someone else to the account for security reasons. He also addressed the fact that our membership numbers are down by approximately 20 people.

The Executive Committee will be in search of speakers for future club meetings. We will also be keeping an eye out for a possible change in meeting locations.
