

Executive Committee Meeting
Tuesday, September 2, 2025
6pm via Google Meet

Attendees: Lin, Tom, Heather, Mike N., Cindy, Michael H.

I. Potluck

To be held Saturday, January 17th. We would possibly like to have it at South Mountain or Thunderbird. Tom will make phone calls to both to get more information. We will need leaders for a long and a short hike. The club meeting for that month is scheduled for January 15th.

II. Club Meeting

Due to the fact that we have no speaker for September, we made a decision to cancel the September club meeting.

III. Speakers

The November speaker will be Tamar & Li who will speak to us about their club trip to Greece. The January 2026 speaker will be an individual from the McDowell Sonoran Conservancy, free of charge. We need to continue searching for more speakers.

IV. Leader Training

Possible date of 1/31/2026 at Gilbert Riparian Reserve. We need to find out who is interested in attending.

V. 2026 - 30 Year Anniversary Party

For our 25 year anniversary party the club spent \$1900. We need to be thinking of how to plan this party in the near future.

VI. November Elections

Mike Nelson has agreed to run for Vice President again. Elections will be held at the club meeting on November 20th.
